

QUICK START

Your Edifier TSW6 ear buds are ready to use.

Power Ear buds automatically power on when removed from charging case and power off when inserted into case.

Charging

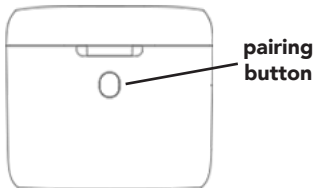

Status indicator will flash while charging and turn off when fully charged.

Pairing

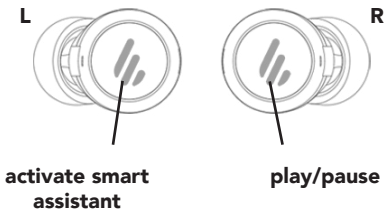

Hold pairing button until ear buds begin to flash rapidly.

Select either right or left ear bud on your Bluetooth device to pair.

Touch Controls

Double-tap to use touch control.

Safety Notice

Prolonged exposure to sounds over 80 decibels can cause permanent hearing loss.

For your protection, limit loud volume levels and take a break for every hour of listening time.
